

Triangle CMSA'S Annual Fall Conference

The Triangle Case Management Society of America invites you to our Annual Fall Conference: "Forget the Wizard, Find A Case Manager." We are pleased to offer area case managers two educational and fun conferences each year.

The Fall 2010 conference will focus on current healthcare topics that relate to healthcare workers and case managers. The day will be filled with educational opportunities, networking, and fun.

Please email:
TriangleCMSA.org

We look forward to seeing you!

13 CCM CEU's has been applied for
through CCMC
CEU's can be used for SW and RN's

SCHEDULE FOR FALL CONFERENCE 2010

Day 1 - September 16, 2010

7:30-8:00

Attendee Registration, Continental Breakfast, Networking

8:00-8:30 Welcome and Business Meeting

8:30-9:30

Kelly Swanson- "Who Hijacked my Fairy Tale?"
Join us for a hilarious and motivating session that will teach you how to stay on the funny side of a stressful workplace—because success isn't as much about skill as it is about attitude.

9:30-9:45 BREAK

9:45-10:45

James Couch, MD, JD, FACPE- National Health Care Reform: Hope for the Future Dr Couch will discuss the impact of national health reform on case managers and the major opportunities this will give to demonstrate their value.

10:45-11:00 BREAK

11:00-12:00

Patrick Coyne- Contemporary Issues in Oncology Case Management: Palliative Care

This session will identify key concepts in palliative care and will help case managers better understand the clinical complications of cancer and how to effectively handle them which may help alleviate suffering and improve quality of life.

12:00-1:00 Lunch

1:00-2:30

Tephia Lindsay/Elizabeth Scott- Medicaid 101 An introduction and basic information that gives an overview of the different types of Medicaid and the eligibility qualifications for each program.

2:30-2:45 BREAK

2:45-3:45

Rene Cummins- Independent Living Rene will discuss various community resources for different types of disabilities and support groups in the area.

3:45-4:00 BREAK

4:00-5:00

Kelly Swanson- "So, How's That Whole Wizard Thing Working Out For You?" Successful case management is in our ability to work as a team. Let's

SCHEDULE FOR FALL CONFERENCE 2010

(Day 1 continued)

focus on having the right attitude, taking it into the workplace and forming remarkable relationships with our clients, patients, and co-workers.

5:00-5:15 Ending Remarks

Day 2 - September 17, 2010

7:30-8:00 Continental Breakfast, Networking and Exhibits

8:00-9:30

Laura Hamilton-"Why are you looking for The Wizard?" A journey of life lessons learned that focuses on team building, utilizing each persons strength and weaknesses, creating an action plan for success.

9:30-10:30 Breaks, Exhibits

10:30-12:00

Laura Hamilton-"Toxic Waste in the Workplace" Identify toxic people who pollute the work environment and realize the power of their effect. Learn the power of forgiveness and apology; developing a plan toward self detoxification.

12:00-1:30 Lunch, Networking, Exhibits

1:30-3:00

Dr. Brian Callister- Successful Discharge Options For your Medically Complex Patients Successfully placing your patients in the optimum care environment has never been so challenging or important. The initial choice of discharge destination from the short term acute care hospital environment will ultimately determine the probability of a quality outcome for your patient as well as the likelihood of readmission or even death.

3:00-3:30 Vendor Giveaways

3:30-4:30

Dr. Janna Fikkan- Mindful Eating: A New Paradigm for the Management of Healthy Weight Although many behavioral interventions targeting weight loss and weight maintenance have focused on the amount and type of food eaten, few have specifically addressed the "hows" and "whys" of eating.

4:30-4:45

Wrap Up, Evaluations and Presentations of CEU's
