SCHEDULE FOR SPRING CONFERENCE 2012

6:45-7:15	Vendor Registration/Set-up
7:15-7:45	Attendee Registration, Breakfast, Networking, Exhibits Open
7:45-8:00	Welcome, Opening Information
8:00-9:30	"Advance Care Planning in Patients with Parkinson's Disease" - Dr Nina Browner This presentation focuses on the nature of Parkinson's disease, treatment options, and resources to assist in care needs of these patients.
9:30-10:00	Break, Networking, Exhibits Open
10:00-11:00	"Case Manager Role in Chronic Pain Patient Case Closure: What Every Case Manager Should Know" - Cynthia Woods, RN, BSN - Sponsored by St Jude Medical. This presentation will break down the types of chronic pain, address the treatments of each type and discuss the roles that case managers perform in these aspects of care.
11:00-11:30	Break, Exhibits
11:30- 12:30	"Obesity Matters: Identify, Implement, Improve" - Dr. T. Hayes Woollen, Jr - Sponsored by Allergan: This presentation will address the escalating medical issue of obesity and the significant cost burden it presents due to co-morbidities like type 2 diabetes, treatment options and taking measures for case managers.
12:30-1:25	Lunch, Networking, Exhibits
1:25-1:35	Movercise
1:30-3:00	"The Art of a Fresh Start: How to Break Old Habits and Spring into Great Days" - Julie Alexander - Keynote Speaker: As a case manager, you're no stranger to stress, frustration, and burnout. In this fun, upbeat, fast-paced program, Julie Alexander will give you some tips, tools, and techniques for creating more great days on and off the job. You'll walk away with a fresh perspective and a new attitude of encouragement and hope.
3:00-3:30	Giveaways/Break
3:30-4:30	"Break From the Usual-new tool kit for returning injured workers back to work" Debra C. Lord, PT, CEAS II - Sponsored by Job Ready Services. This presentation addresses tools that are available to employers and the case management community to identify if a work-related deficit exists and what methods are available to reduce deficits are key to compliance with ADA. Protecting the injured worker's job and the employer's bottomline is key to the survival of US jobs.
4:30-4:45	Wrap Up and Evaluations and CMSA Business Meeting

Accreditation: 7 clock hours
for CCM's (CEU's can be used
for SW and RN's)
